WELCOME TO VBH PUBLISHERS

Partnering for Academic Excellence

Dear School Leaders and Educators,

Our 2027–28 range follows the National Education Policy (NEP 2020) and the National Curriculum Framework (NCF). It takes children from play-based learning in kindergarten to the reading, reasoning and writing skills they need in middle school, with every book written to be enjoyable to teach and to learn from.

From multi-sensory kindergarten kits to textbooks with digital support, each series has clear learning outcomes and full teacher resources. We look forward to working with your school in the year ahead.

BEYOND THE TEXTBOOK

The VBH Integrated Learning Ecosystem

Built for Busy Classrooms

Complete Teaching & Learning Suite: Every VBH curriculum package pairs the printed books with digital resources, so teachers spend less time preparing and students can see and hear what they are learning.

01 Comprehensive Teacher Manuals

Lesson plans, learning objectives, pacing guides, and pedagogical strategies.

02 Smart Classroom Digital Suite

HD concept animations, narrated audio stories, and digital flipbooks.

03 Assessment & Test Generators

Question bank generators, term exam papers, and rubrics.

04 Student Engagement Worksheets

Printable reinforcement sheets focusing on multi-level learners.

05 QR Code Interactivity

Scan-to-learn audio-visual content printed directly on student textbooks.

06 Educator Workshops & Training

Continuous professional development support for school faculties.

One Complete Package for CBSE, ICSE and State Board schools.

Happy Tots Series: Pre-KG & Nursery

NIPUN BHARAT FLN ALIGNED

Multi-sensorial Beginnings for Joyful Early Learning

NCF FOUNDATIONAL STAGE • AGES 3–4

COMPLETE CHILD-CENTRIC KIT

Little Hands 1-3 • My Visual Pictionary • Sing Along Rhymes 1 • Theme-Based Worksheets • Art & Craft A

Key Developmental Milestones

- Aligned with NCF-FS and NIPUN Bharat targets.
- Emphasis on gross/fine motor control, listening comprehension, and pattern recognition.
- Child-safe, durable print formats with vivid illustrations.

Teacher Deliverables

Day-wise syllabus breakdown, sensory activity ideas, and classroom flashcard guides.

Kit Components Matrix

TITLE	CORE FOCUS
Little Hands Learning Series (Books 1, 2 & 3)	Fine motor control, patterns & early concepts
Sing Along Nursery Rhymes Book 1	Listening comprehension, rhythm & language
My Visual Pictionary	Picture–word vocabulary building
Theme-Based Activity Worksheets	Concept practice for class & home
Art & Craft Book A	Creative expression & hand–eye coordination

TEACHER ASSETS

Teacher Manual Included | Lesson Planner | Flashcard Guides | Animated Songs

Happy Tots Series: Junior KG

Where Curiosity Meets Early Concepts

NCF FOUNDATIONAL STAGE • AGES 4–5

CORE FOCUS

- Pre-Reading Fluency
- Number Sense
- Fine Motor Coordination

INSIDE PAGES • HAPPY WRITING PRACTICE 1

Trace-and-write alphabet practice on four-line grids

Core Curriculum Titles

Our Little World – Book 1

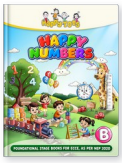
Environmental sensitivity, self-identity, and basic science through stories.

Happy Reading Practice

Pre-reading phonemic awareness and picture-word association.

Happy Writing Practice – Book 1

Pre-writing strokes, letter tracing, and pencil grip mastery.



Happy Numbers – Book 1

Number identification, spatial awareness, counting, and shape geometry.

Sing Along Nursery Rhymes 2

Rhythm, auditory discrimination, and language development.

Theme-Based Worksheets (Jr. KG)

Concept check-ins for home and class.

Skill Outcomes: Pre-reading fluency, early number sense, and conversational vocabulary.

Also for Junior KG: Story Book • Art & Craft Book B • Tamil I & Tamil Payirchi I (see pages 07 & 10)

TEACHER SUPPORT

Teacher Manual | Digital Suite | Test Generator | QR Audio-Visuals

Happy Tots Series: Senior KG

Ready for Primary School, Ready for Life

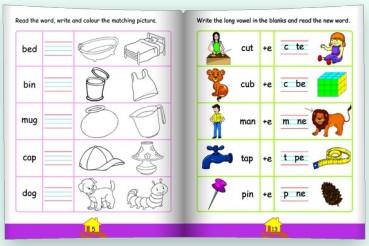
A Structured Phonics & Numeracy Framework for Confident School Entry

NCF FOUNDATIONAL • AGES 5–6

FEATURE SERIES

Happy Phonics (Levels 1, 2 & 3)

Systematic synthetic phonics covering digraphs, blends, and sight words.



Happy Phonics – Book 2

Happy Phonics – Book 3

INSIDE PAGES • READ, BLEND & BUILD WORDS

Core Curriculum Titles

- Alphabet tracing
- Vowel-consonant mastery
- Illustrated stories

SECTION B

Art & Craft Discovery Series (Classes A, B, C & Grades 1–5)

- **Hands-on crafts:** Origami, stencil art, paper tearing/pasting, and thumb printing.
- **Visual guides:** Step-by-step visual guides that encourage independent execution and fine motor control.
- **NEP-aligned:** Aligned with NEP recommendations for art-integrated cross-curricular learning.

- Origami
- Tearing & Pasting
- Stencil Art
- Thumb Printing

THE MAXFORD SERIES

My Grammar Rides

GRADES 1 TO 8

A Progressive Journey to Confident English Communication

Grammar taught in context, with regular writing and speaking practice.

Functional grammar

Composition corner

Self-assessment

GRADES 1–8 AVAILABLE

Key Pedagogical Features

Systematic Grammar Ladder

Contextual rules presented through age-appropriate scenarios.

Integrated Composition Corner

Guided paragraph writing, formal/informal letters, essays, and creative storytelling.

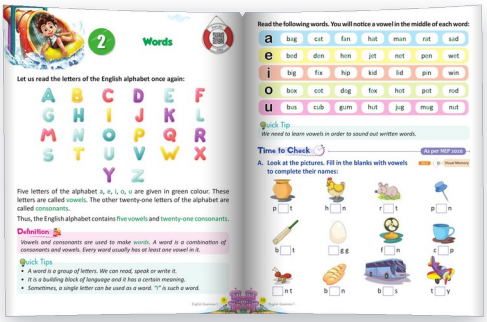
"Check Your Ride" Self-Assessment

Diagnostic chapter-end checks to reinforce retention.

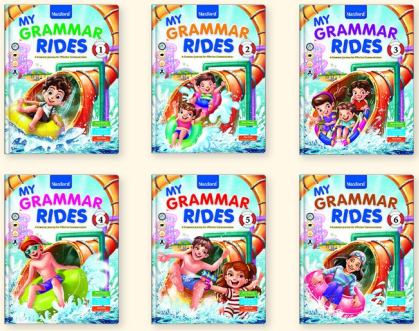
Active LSRW Practice

Oral drills and listening tasks embedded within functional grammar lessons.

INSIDE PAGES • MY GRAMMAR RIDES 1



SERIES AT A GLANCE



Free Teacher Support: Teacher Manuals, Test Paper Generators & Digital LMS.

THE MAXFORD SERIES

My General Knowledge

Facts, Quizzes and Current Affairs for Curious Minds

GRADES 1 TO 8

Thematic Breadth

India & the World, Science & Technology, Nature & Ecology, Life Skills, and Heritage.

Visual Infographics

High-impact fact spreads, charts, and map-reading modules.

Monthly "Quiz Time" & Brain Gym

Timed competitions for classroom assembly or inter-house leagues.

Current Affairs Readiness

Focuses on contemporary developments and ecological awareness.

Critical Thinking Corners: logic questions and reasoning riddles in every grade.

GRADES 1–5

My Writing Style: Cursive Mastery

Clear, Confident Cursive Handwriting

Beautiful handwriting, one stroke at a time

Instructional Progression

1 → 2 → 3

Book 1 & 2

Basic stroke posture, letter formation, joins, and word connections.

Book 3

Transitioning from guided lines to full sentences with punctuation mastery.

Book 4 & 4 & 5

Paragraph transcription, inspiring historical quotes, proverbs, and "Write & Win" speed challenges.

DESIGN STANDARDS

- Age-graded four-line grids
- Ergonomic line spacing
- Self-evaluation stamps

Includes Fun "Write & Win" Classroom Competitions & Grading Rubrics

Visual Arts & Creative Exploration

SECTION A My Drawing Style (Grades 1 to 5)

Shapes & colour

Structured drawing using basic shapes, grid methods, and color theory.

Thematic projects

Celebrating regional festivals, nature, and community life.

"Art Talk"

Segments introducing master painters and historic Indian art styles.

SECTION B My Book of Fine Arts (Grades 6 to 8)

- **In-depth techniques:** Perspective sketching, pencil shading, watercolors, and acrylics.
- **Indian art heritage:** Madhubani, Warli, and Tanjore fundamentals.
- **"Art Critique Corner":** Fosters aesthetic judgment and visual literacy.

MADHUBANI | WARLI | TANJORE

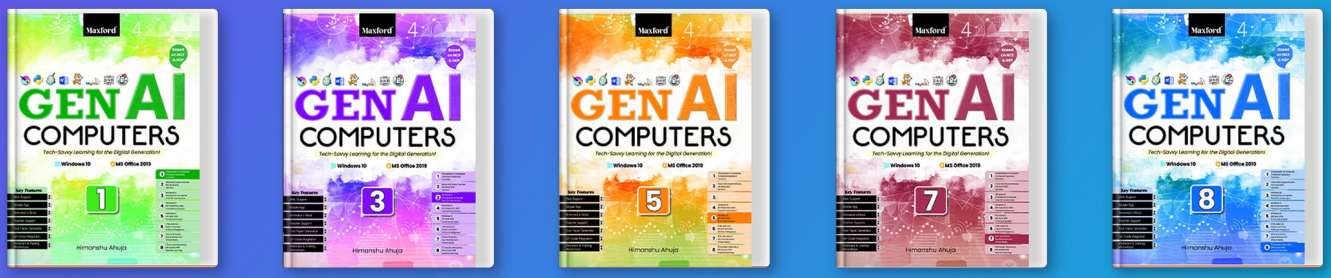
GRADES 1–8

Gen AI Computers:

21st-Century Digital Literacy

From First Mouse Clicks to Python and AI

Updated for Windows 11, Python & Generative AI Literacy



Syllabus Roadmap

TIER 1
Primary • Grades 1–3

Computer fundamentals, OS basics, Paint 3D, and visual coding through ScratchJr.

TIER 2
Upper Primary • Gr. 4–5

Scratch block programming, cloud productivity tools, and internet safety.

TIER 3
Middle School • Gr. 6–8

Python programming fundamentals, HTML/CSS web design, and introductory AI concepts.

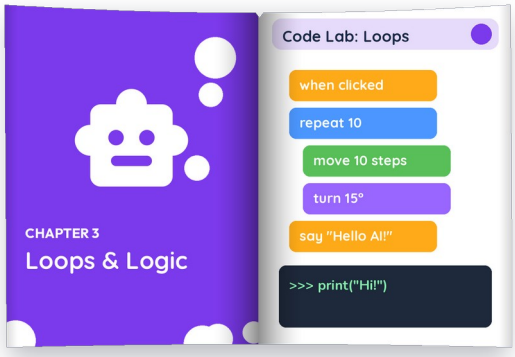
Modern Ethical Focus

Digital citizenship, cyber ethics, media evaluation, and responsible use of generative AI tools.

Teacher Support

Lab exercise worksheets, project answer keys, and downloadable lab software bundles.

INSIDE PREVIEW • CODE LAB

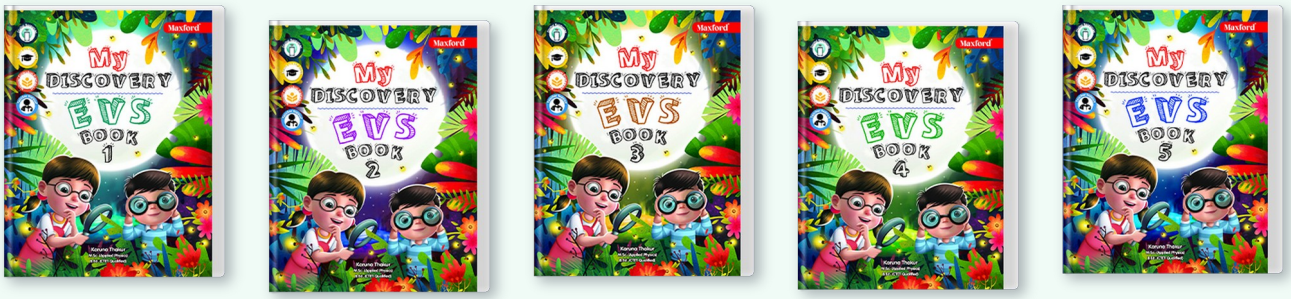


Accompanied by **Web Portal, Practice Code Files, and Lab Test Generators.**

GRADES 1–5

My Discovery EVS:
Experiential Science & Society

Learning About the World by Observing and Doing



Seedling · Clean energy · Water · Microscope · Zero waste

Key Learning Highlights

Activity-Driven Inquiry

"Think & Do" prompts turn everyday surroundings into an active laboratory.

Environmental Stewardship

Practical projects addressing water conservation, zero waste, and biodiversity.

Interdisciplinary Learning

Integrates science concepts with social studies and civic responsibilities.

Classroom Projects

Structured rubrics for annual science and environment exhibitions.

"Think & Do" Science Labs: zero-cost, safe kitchen-science experiments that make every chapter hands-on.

Cultivating a Lifelong Reading Culture

Monthly Magazines That Get Students Reading for Pleasure

> **"Make Reading a Culture in Your School, Not Just a Syllabus Task."**

MONTHLY | NON-SCREEN | TACTILE

Two age-graded monthly magazines delivered to your campus: Kids Punnagai and Genius Punnagai.

The Challenge

Screen addiction, limited textbook-only reading, vocabulary gap.

VS

The Punnagai Solution

A printed magazine every month that children look forward to reading, away from screens.

The Four Pillars of the Punnagai Reading Framework

1. INSPIRE

Real stories of young achievers, discoveries, and history.

2. READ

Graded vocabulary, folktales, and international journalism.

3. THINK

Logic puzzles, science brainteasers, and ethical dilemmas.

4. CREATE

Student contests, writing prompts, and project challenges.

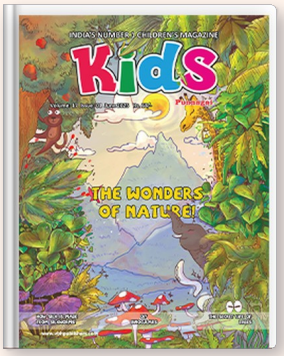
Institutional Packaging: bulk monthly campus delivery, integrated reading-period guides, and school library subscriptions.

Kids Punnagai

Monthly Magazine

Read. Imagine. Create.

AGES 8 TO 12 | CLASSES 3–6



Monthly Content Mix

Fascinating Nature & Science

Hands-on kitchen experiments and wildlife profiles.

Stories with Character

Folk narratives and contemporary moral tales.

Brain Teasers & Mind Games

Crosswords, word ladders, and STEM math puzzles.

Creative Studio

Space for student drawing and story submissions.

School Integration: ideal for weekly reading periods, library hours, and English club.

Genius Punnagai

Monthly Magazine

Inspiring Young Minds to Think Beyond

AGES 13 TO 18 | CLASSES 7–12

Signature Regular Columns

Why? What? How?
Complex scientific and technological phenomena simplified.

Money Matters
Essential financial literacy and budgeting fundamentals for teens.

Engineering Marvels
Deep-dives into real-world mega-structures and technology breakthroughs.

WordWise & Logic Matrix
Vocabulary enhancers and competitive exam aptitude preparation.

Young Achievers & Startup Stories
Practical motivation drawn from youth innovators worldwide.

Stretch & Smile
Practical mindfulness, mental resilience, and physical well-being.

School Reading Programmes

Flexible adoption options for every school, available on enquiry.

Library Tier
Bulk copies for school reading rooms; quarterly or annual dispatch subject to agreement.

Classroom Tier
One copy per student each month, bundled school distribution.

Student Spotlight
Showcase student artwork, quiz entries and contest results (with parental consent).
