An exclusive publisher of kindergarten books

Dear Educators,

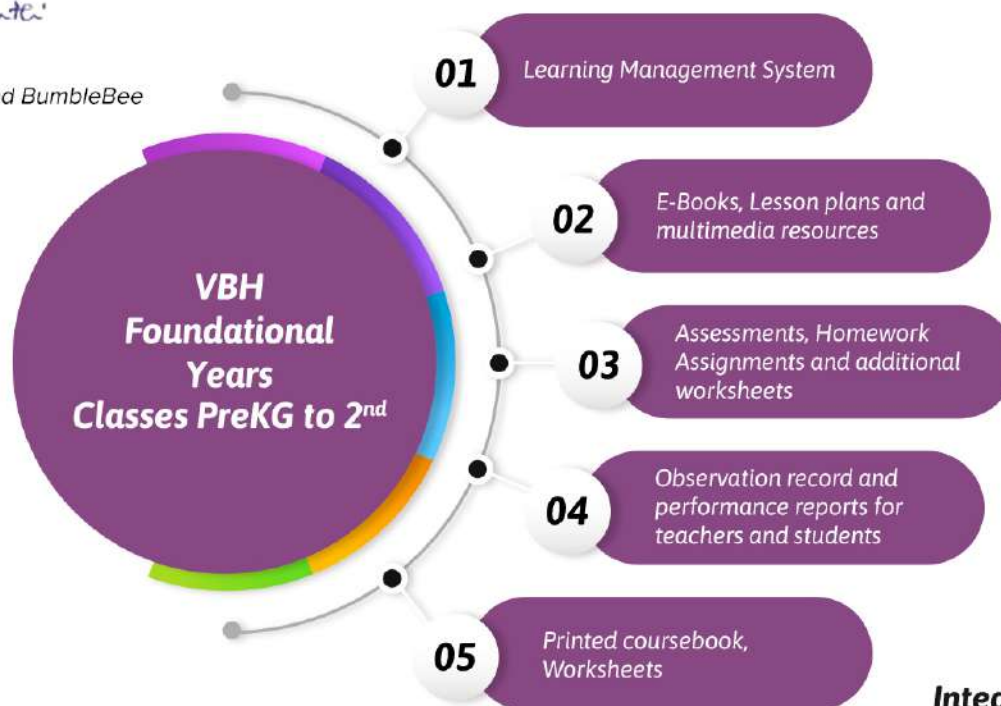

In 2024, we anticipate a year filled with promise as we actively work towards realizing the goals outlined in the National Education Policy 2020. Our collective efforts aim to establish an inclusive and fair education system in India, leveraging innovative resources and teaching methodologies rooted in Indian culture and heritage.

As schools resume operations, VBH Publishers is committed to support educators with a comprehensive range of both print and digital resources, facilitating high-quality teaching practices. Our offerings include curriculum apps, language platforms, and assessment solutions, all meticulously designed to ensure a seamless teaching-learning experience. The success of our Learning Management System in 2022 underscores its effectiveness.

In alignment with the NCF mandate 2022, our print resources emphasize 21st-century skill development, conceptual understanding, the integration of technology, and the incorporation of Indian ethos. Our popular early childhood series, Happy Tots, has been enhanced to focus on Foundational Literacy and Numeracy, aligning with the objectives of the National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN Bharat Mission). This initiative, launched by the Education Ministry of India under the National Education Policy 2020, underscores our commitment to support educational mandates.

We look forward to provide learners and their teachers with resources and support they need, for a successful academic year.

HAPPY TOTS PRESCHOOL SERIES

Aligned to the National Early Childhood Care and Education (ECCE) Curriculum Framework and the Pre-school curriculum by NCERT, Happy Tots Series is an easy-to-use comprehensive pre-primary programme designed for early childhood needs, abilities, and interests. The series comprises three kits for classes–Nursery, Junior KG, and Senior KG.

The series adheres to the vision outlined in the National Education Policy (NEP) 2020 for early years. This series also integrates the essence of National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN Bharat) guidelines, which extensively deal with foundational literacy and numeracy.

The program engages children in exciting learning activities specifically designed to meet the developmental needs and help them advance to the next level. Our curriculum emphasizes language and literacy, cognitive development, social-emotional skills, physical activity and creativity. Based on multi-sensorial approach and lavishly illustrated, each kit focuses on developing foundational literacy and numeracy skills (FLN) through interesting skill sheets, activities, games, stories, songs and rhymes.
