WHERE JOYFUL LEARNING BEGINS...

Dear Educators,

As we step into 2026, we look forward to another exciting year of innovation, growth, and meaningful partnerships with schools across India. Guided by the vision of the **National Education Policy (NEP) 2020**, VBH Publishers continues to redefine early learning with a blend of tradition and technology - ensuring every child experiences joyful, inclusive, and holistic education.

At VBH Publishers, our mission is to empower educators with **comprehensive, ready-to-use print and digital tools** that simplify classroom teaching while enriching every child's learning journey. From **curriculum apps and e-books to performance reports and assessments**, our integrated system supports seamless teaching and measurable learning outcomes.

Aligned with the **National Curriculum Framework (NCF 2022)**, our resources emphasize:

- Foundational Literacy and Numeracy (NIPUN Bharat goals)
- 21st-century skill development
- Conceptual understanding through play and creativity
- Technology-enabled, culturally rooted pedagogy

Our flagship series - **Happy Tots, Bumblebee, and Happy Times** - have been thoughtfully designed to meet the evolving needs of learners from Pre-KG to Grade 2. Each series ensures that learning remains engaging, age-appropriate, and NEP-compliant.

Together, let us nurture young minds to be curious, confident, and compassionate learners. We look forward to collaborating with your school for a successful and inspiring academic year ahead.

Warm regards

Founder, Happy Tots and BumbleBee

learning solutions ...**

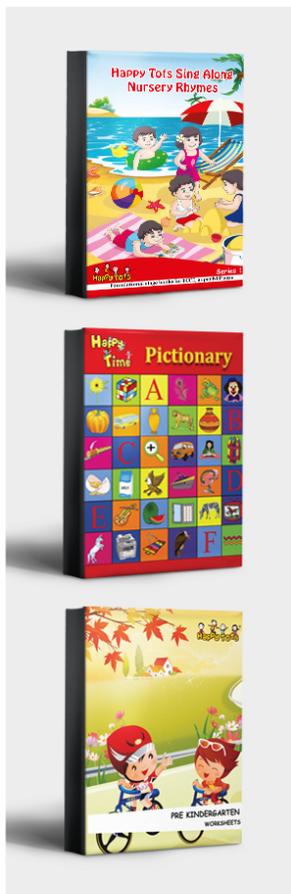

HAPPY TOTS PRESCHOOL SERIES

Inspiring Early Learning. Empowering Educators.

Aligned with the **National Education Policy (NEP 2020)** and **ECCE Curriculum Framework**, the **Happy Tots Series** offers a joyful and structured learning experience for preschoolers. Designed to nurture curiosity and creativity, this three-level series (Nursery, Junior KG, Senior KG) seamlessly blends play with purposeful learning.

Each kit integrates the objectives of **NIPUN Bharat**, focusing on **Foundational Literacy and Numeracy (FLN)** through engaging, multi-sensorial methods.

Key Highlights:

- Age-appropriate activities that meet developmental milestones
- Emphasis on literacy, numeracy, social-emotional learning, STEM, and creativity

- Vibrant illustrations and hands-on experiences through stories, songs, and play
- Teacher-friendly structure ensuring easy implementation

Kit Components:

- Little Hands Learning Series (1, 2 & 3)
- Pictionary
- Sing Along Nursery Rhymes 1
- Theme-Based Worksheets

DIGITAL LEARNING RESOURCES

This book is accompanied with a ready to use smart suite of digital learning resources closely linked to the curriculum and aligned with the coursebook.

JUNIOR - KG BOOKS

Where Curiosity Meets Early Concepts

The Junior KG series builds a strong foundation through play, discovery, and creativity — nurturing the skills children need for lifelong learning.

Book Highlights:

Our Little World 1 - Builds environmental awareness through stories and observation.

Happy Reading Practice - Strengthens pre-reading and language comprehension.

Happy Writing Practice 1 - Develops fine motor and handwriting skills creatively.

Happy Numbers 1 - Encourages logical thinking through engaging visuals and games.

Sing Along Nursery Rhymes 2 - Brings rhythm and joy into learning through music.

Theme - Based Worksheets - Reinforces classroom learning through fun activities.

DIGITAL LEARNING RESOURCES

This book is accompanied with a ready to use smart suite of digital learning resources closely linked to the curriculum and aligned with the coursebook.

SENIOR - KG BOOKS

Ready for School, Ready for Life

The Senior KG series takes children beyond rote learning - building confidence, independence, and readiness for primary school.

Book Highlights:

Our Little World 2 - Encourages environmental exploration and curiosity.

Happy Phonics 1, 2 & 3 - Step-by-step phonics journey to make reading fun and fluent.

Happy Writing Practice 2 - Improves handwriting and fine motor coordination.

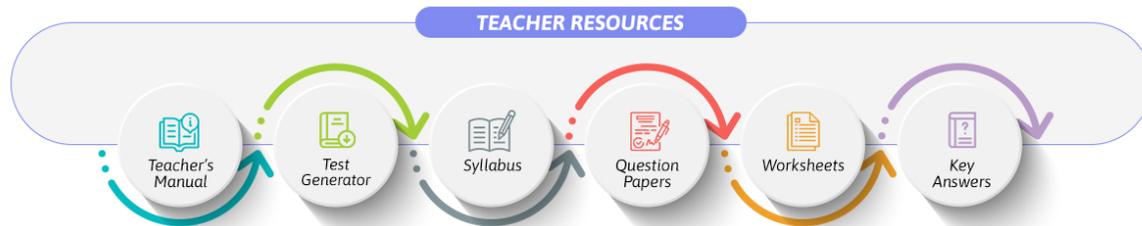

Happy Numbers 2 - Builds logical and problem-solving abilities.

Sing Along Nursery Rhymes 3 - Fosters creativity and auditory learning.

Early Reading Series - Cultivates word recognition and vocabulary through repetition.

Happy Times Reader Level 1 - Simplifies reading and builds confidence in English.

Comprehensive teacher resources include manuals, test generators, worksheets, and performance reports.

FIRST & SECOND STANDARD BOOKS :

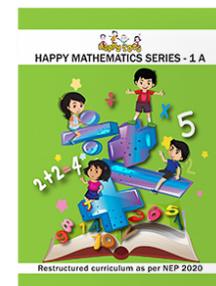

Bridging Foundations to Formal Learning

Our early primary series for Classes 1 & 2 introduces structured, concept-based learning through English, Mathematics, and Environmental Studies. Each lesson nurtures curiosity and builds higher-order thinking skills in line with NCERT's Learning Indicators.

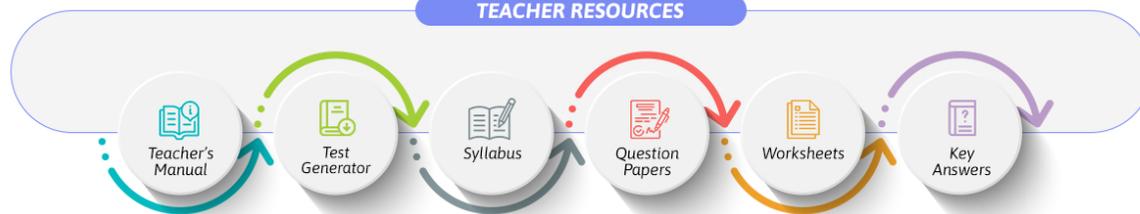

Mathematics

- HOTS questions and concept-based activities
- Word problems and real-life applications
- Practice and mental math sheets
- Interactive warm-up activities for reinforcement

TEACHER RESOURCES

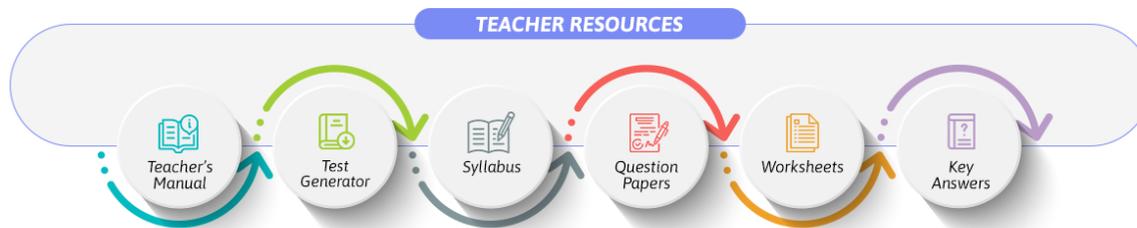

English

- Engaging prose, poems, and stories for comprehension
- Grammar, spelling, and writing skill development
- Listening, speaking, reading, and writing (LSRW) integration
- Phonics-based activities to strengthen literacy

Environmental Studies

- “Observe & Learn” approach promoting awareness and responsibility
- Hands-on projects, creative tasks, and do-it-yourself activities
- Additional worksheets to consolidate learning

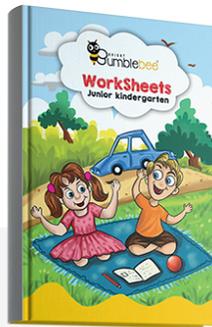

TERM BOOK SERIES - BUMBLEBEE

Integrated Learning for the 21st Century Child

The **Bumblebee Series** combines the best of Language Arts, Math, EVS, and Rhymes — designed to make every day in kindergarten a discovery. This NEP-aligned program blends creativity, logic, and play to strengthen core skills across terms.

Highlights:

- Covers integrated learning across subjects in every term
- Includes rhymes, stories, art, and craft for holistic development
- Builds fine and gross motor skills through play-based learning
- Digital content for active and interactive classrooms
- Term-end assessments and progress tracking tools for teachers

TEACHER RESOURCES

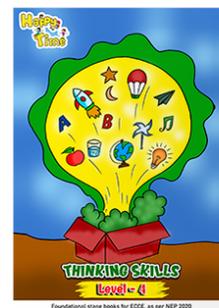

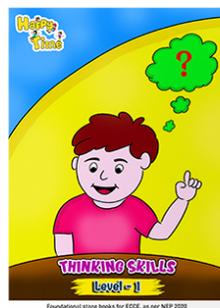

HAPPY TIMES

Pick. Play. Personalize.

Create a customized learning package for your school with our **Happy Times** collection - a wide range of focused titles designed to build specific skills in literacy, numeracy, logic, and creativity.

Every book offers simple concepts presented through bright visuals, interactive tasks, and joyful learning experiences - ideal for building strong foundational skills.

THE MAXFORD SERIES

Empowering Learners for a Dynamic Tomorrow

Designed for Grades 1 – 8, the Maxford Series equips schools with NEP-aligned textbooks that develop communication, creativity, digital fluency, and cultural appreciation—bridging traditional learning with modern skills.

MY GRAMMAR RIDES

(English Grammar & Composition • Grades 1 – 8)

A Grammar Journey for Effective Communication

Highlights:

Step-by-step grammar progression with real-life contexts. Colourful illustrations and activity-based practice. Integrated Composition Corner for writing enhancement. “Check Your Ride” exercises for self-evaluation and NEP-aligned focus on functional grammar and communication

MY GENERAL KNOWLEDGE

(Grades 1 – 8)

Because curiosity builds smart learners

Highlights:

Thematic GK linked to science, technology, culture, and environment. Illustrated facts, trivia, and map-based learning. Monthly “Quiz Time” for recap and competition. Infographics that encourage observation and reasoning. Builds critical thinking and global awareness

MY WRITING STYLE – CURSIVE WRITING SERIES

(Grades 1 – 5)

Beautiful Writing • Confident Communication

Highlights:

- Step-by-step cursive strokes with guided tracing
- Motivational quotes and fun “Write & Win” challenges
- Gradual movement from words to sentences to paragraphs
- Attractive layout for neat, consistent handwriting

MY DRAWING STYLE

(Grades 1 – 5)

Creative Beginnings Through Art & Colour

Highlights:

- Hands-on drawing, colouring, and craft exercises
- Activities based on themes of nature, festivals, and everyday life
- “Art Talk” boxes introducing famous artists and art forms
- NEP focus on self-expression, imagination, and aesthetic development

GEN AI COMPUTERS SERIES

(Grades 1 – 8)

Tech-Savvy Learning for the Digital Generation

Highlights:

Based on NCF & NEP with 21st-century ICT skills. Step-by-step lessons on Windows 10, MS Office 2019, Scratch, Python, AI, and App Development. QR-enabled videos & interactive practice. Teacher Support, Web Portal, Mobile App & Test Paper Generator. Promotes computational thinking and ethical digital citizenship

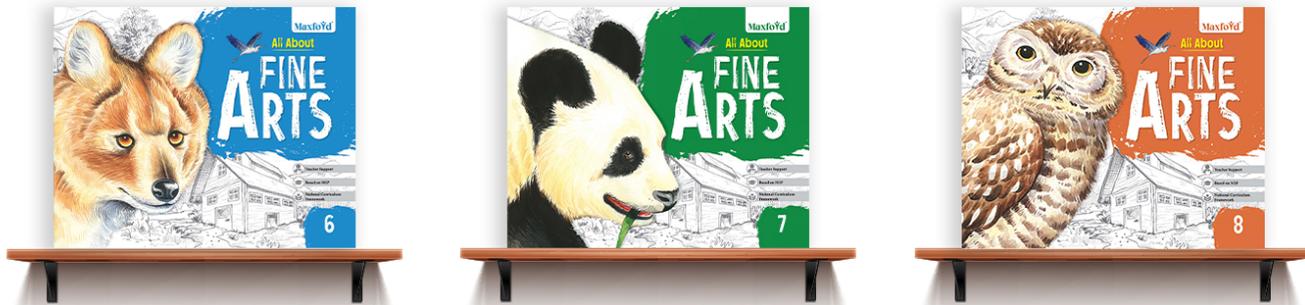

MY BOOK OF FINE ARTS

(Grades 6 – 8)

Appreciate Art • Create with Heart

Highlights:

- Combines theory and practice of visual arts
- Focus on Indian art heritage and modern techniques
- Step-by-step projects: sketching, shading, painting, and composition
- “Art Critique Corner” encourages analysis and appreciation
- Teacher Support and Assessment Guides included

MY DISCOVERY EVS SERIES

(Grades 1 – 5)

Learning Through Observation & Experience

Highlights:

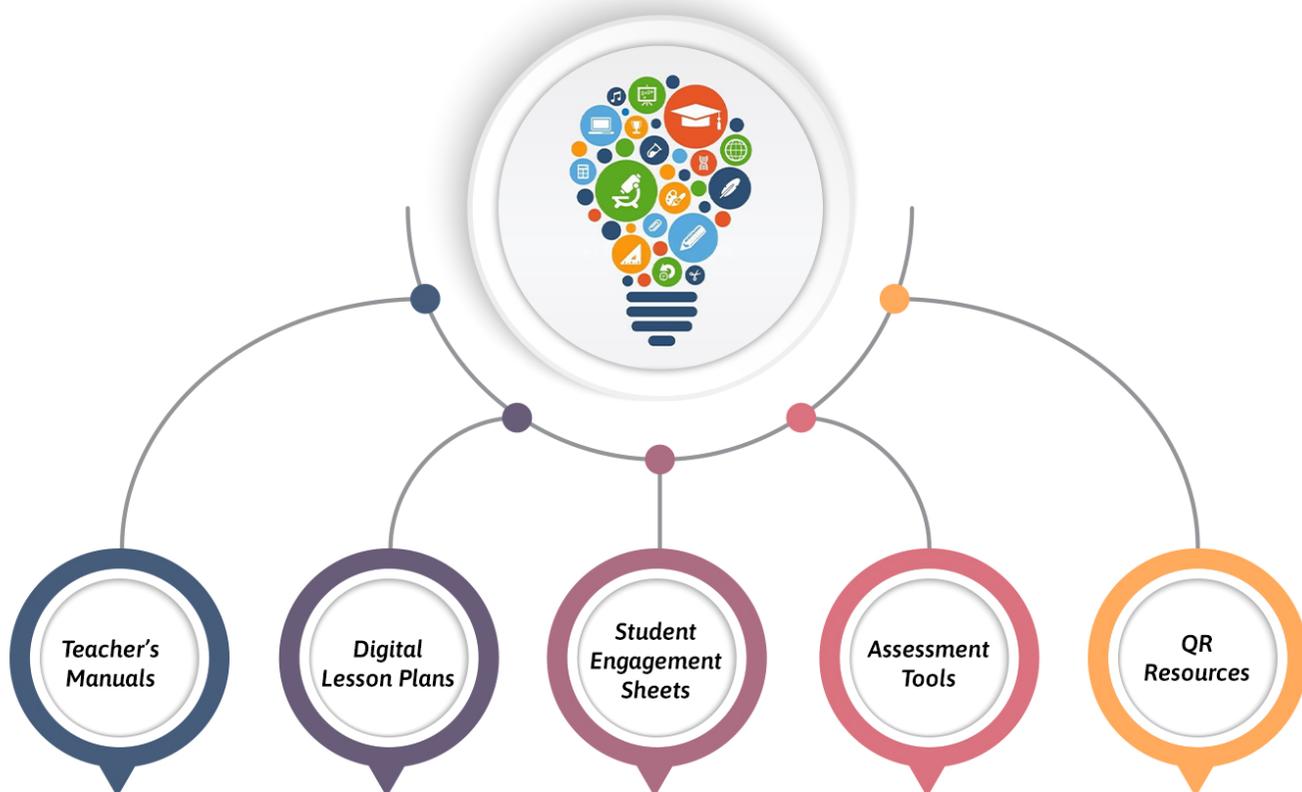

- Activity-based exploration of environment, society, and science
- Colourful visuals that inspire curiosity
- “Think & Do” and “Project Time” pages for experiential learning
- Seamless integration of sustainability and responsible citizenship

INTEGRATED LEARNING SOLUTIONS FOR SCHOOLS

Each series comes with:

From Pre-KG to Grade 8 - a complete continuum of learning that inspires, empowers, and transforms.

KIDS & GENIUS MAGAZINES

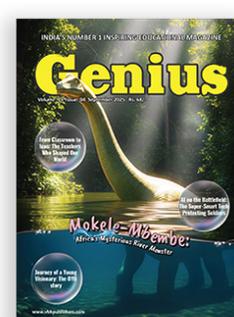

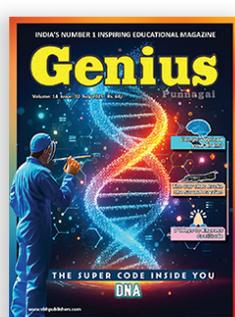

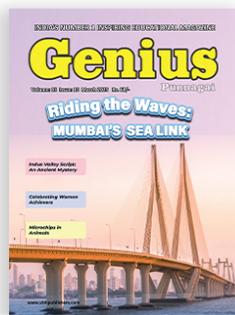

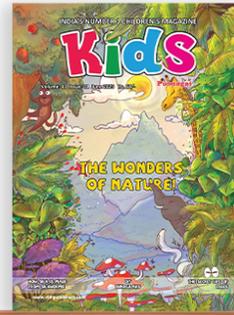

In today's classrooms, reading goes far beyond textbooks. Regular exposure to engaging, age-appropriate magazines transforms children into **curious learners, confident communicators, and critical thinkers.**

VBH Publishers proudly presents its monthly magazines

KIDS PUNNAGAI and **GENIUS PUNNAGAI**

trusted companions for schools that want to make reading a joyful habit.

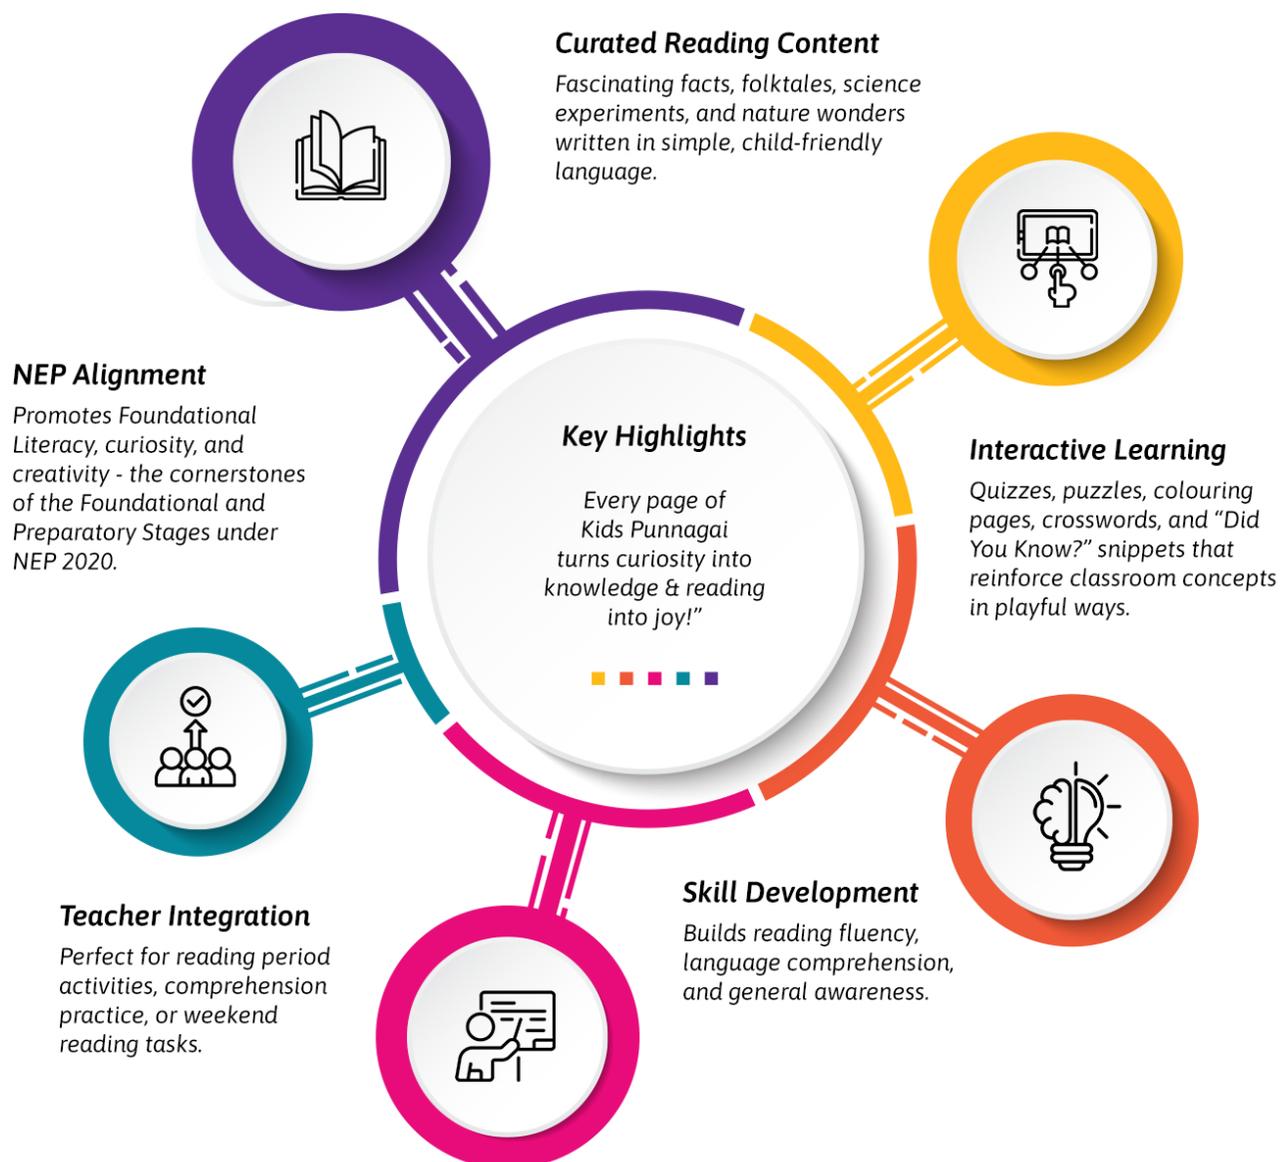

KIDS PUNNAGAI

Age Group: 8 – 12 years (Upper Primary)

Tagline: Read. Imagine. Create.

Designed especially for children in Classes 3 to 6, Kids Punnagai nurtures a love for reading through a mix of fun, learning, and imagination. Every issue blends stories, science, puzzles, and creativity to enhance comprehension, vocabulary, and world awareness.

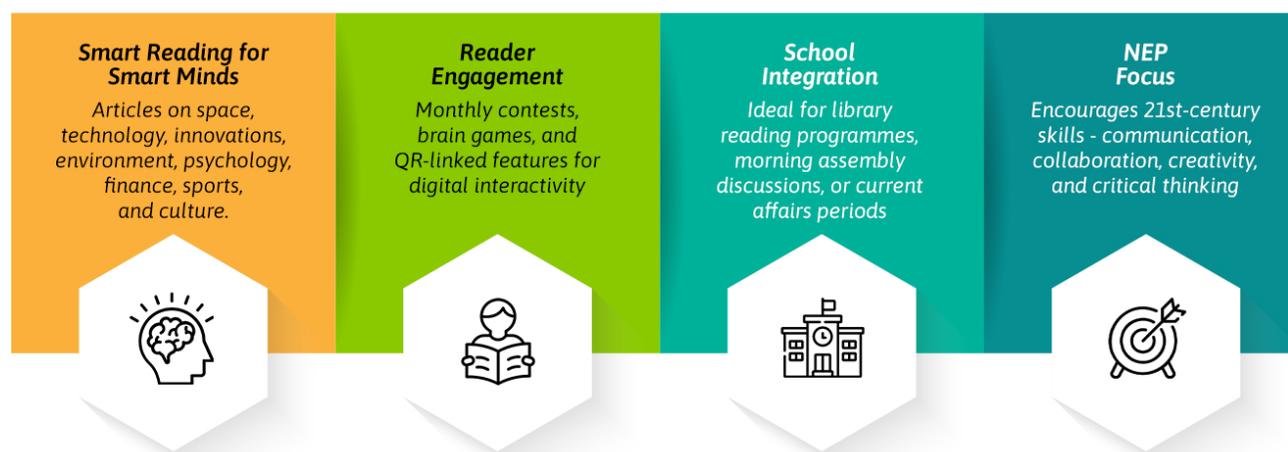

GENIUS PUNNAGAI

Age Group: 13 – 18 years (Middle & High School)

Tagline: Inspiring Young Minds to Think Beyond.

A dynamic magazine crafted for teenagers in Classes 7 to 12, Genius Punnagai connects learning with life. It transforms general knowledge, science, and innovation into real-world stories that ignite critical thinking, creativity, and career curiosity.

Monthly Columns:

- o Why? What? How? – Science explained simply
- o Money Matters – Financial literacy for teens
- o Stretch & Smile – Yoga and wellbeing
- o Engineering Marvels – Real-life innovation stories
- o WordWise – Vocabulary puzzle challenge
- o Young Achievers & Startups – Motivation through real examples

Genius Punnagai inspires teens to dream big, think sharp, and grow into global citizens

WHY SCHOOLS LOVE OUR MAGAZINES

Including Kids Punnagai and Genius Punnagai in your school curriculum means:

- Students develop strong reading habits beyond textbooks.
- Teachers get ready-to-use enrichment material for language and GK periods.
- Schools promote holistic learning in tune with NEP 2020's vision of joyful, competency-based education.
- Students look forward to every new issue — learning becomes a monthly adventure.

Make Reading a Culture in Your School!

Partner with VBH Publishers to provide every student with monthly inspiration through Kids Punnagai and Genius Punnagai. Because reading today builds the thinkers of tomorrow.

VBH PUBLISHERS Learning Beyond Boundaries

From Preschool Foundations to Teenage Aspirations

VBH Publishers and Maxford Series together offer:

- NEP & NCF Aligned Books (Pre-KG to Grade 8)
- Integrated Print + Digital Resources
- Teacher Manuals, LMS Access & QR-based Support
- Monthly Magazines to Inspire Reading Habits

Our Vision

To empower schools with innovative, inclusive, and joyful learning solutions that prepare every child for life — not just exams.
